Our Congress will be organised in one of the most beautiful cities in the world: Rome, on 27-30 September 2012 and it will represent a good opportunity for scientific exchange, as well as to appreciate the flavour of the city's ancient sport culture. Rome has a also great tradition of hospitality. In its 30 centuries of history, it has been and frequently absorbed peoples of all nations.

The Congress will last four days and will be structured as follows:

Thursday, 27 September

Opening Ceremony and Welcome Cocktail (afternoon)

Friday, 28 September

Scientific Programme
Evening: Musical entertainment

Saturday, 29 September

Scientific Programme
Evening: Gala Dinner

Sunday, 30 September

Scientific Programme and closing of the works
(at h. 12:00 a.m.)

Congress Venue

The Congress will be held at the Rome Cavalieri Hotel which enjoys a superb setting, with beautiful gardens and a breath-taking view of the city. Located on the Monte Mario hill, in the North-Western area of Rome, it is relatively close to St. Peter's. The Rome Cavalieri embodies a modern

Congress Centre which can host up to 2000 people in its largest Auditorium, easily subdivided into four sections of about 400 seats each, as well as numerous other meeting rooms and much space for posters and exhibits.

Exhibition

The Congress programme will include a Scientific, Technical and Commercial Exhibition in a almost 1.000 sqm. available for stands where interested firms will be able to exhibit their products, close to where scientific presentations will be posted and discussed.

Simultaneous Translation

Simultaneous translation will be provided from Italian into English and viceversa.

Accommodation

The Rome Cavalieri Hotel will host all the FIMS Executive Committee and Standing Commissions' members and all the FMSI guests.

A wide range of hotels will be selected and proposed to participants in the areas nearby the Congress Centre. A shuttle bus daily service will be arranged from/to the selected hotels and the Congress Centre.

Social programme

Sightseeing tours for accompanying persons will be organised in the most beautiful historical sites of Rome and surrounding areas.
